

Gunna, 25k jacket (feat. Lil Baby)

Wheezy outta here

I'm pushin' P, that's my favorite alphabet
She let me do as I please, I'm an alpha male
When your lawyer paid off, you don't have to tell
When you pay your own bills, you don't have to care
If they noses ain't broke then they got a smell
We just got a fresh load, it's a lot in here
That boy on his third strike, get him out of there
Rock 'em out the park, Maybach drive itself so I don't got to park
Upgrade my jewelry, my watch is up to par
We gon' hit the head and watch the body fall
I'm goin' ghost, I ain't taking no more calls
That pussy pop, gotta give her her lil' prize
I want his top, gave the brodie them a job
If I put it up, we forever living large
We'll be okay if we make it to tomorrow

Twenty-five thousand for a jacket, wear it once
Niggas acting like they getting active, no they don't
She ain't tryna live and get it cracking, go head on
Fast car cutting up in traffic, got one of those
We ain't nothing like these other rappers, weirdo
You been tryna save her, she get active, hero
Me and Gunna going back to back, here it go

It's the day, I'm seeing stars
Me and Money Mar
Running that coupe, yeah, the P a push start
Fresh and I'm blessed, that's why I'm the drip god
Mama, ain't stressing, I'm still going hard
Bought me two 'Vettes and two Maybachs, what's next?
My whole name worth a check on that gray and black card
Niggas send threats but I get niggas stretched
You get whacked with that TEC, ain't no need to act hard
Only speak guapanese
AP on my wrist, ain't accepting apologies
So much Prada, you ain't gotta be proud of me
I'm a dog, ho, you don't gotta lie to me
Feel like Pookie, that money keep calling me
Came a long way from shopping at Dollar Tree
She keep on swallowing, that's why I don't got a seat
Buy Celine and Chanel, girl, you gotta see

Twenty-five thousand for a jacket, wear it once
Niggas acting like they getting active, no they don't
She ain't tryna live and get it cracking, go head on
Fast car cutting up in traffic, got one of those
We ain't nothing like these other rappers, weirdo
You been tryna save her, she get active, hero
Me and Gunna going back to back, here it go
Twenty-five thousand for a jacket, wear it once
Niggas acting like they get it cracking, no they don't
She ain't tryna live and get it cracking, go head on
Fifty while I'm swerving 'round in traffic, I'm in one of those
We ain't nothing like you other rappers, weirdos
You be tryna save her, she get active, hero
Me and Baby going back to back, here it go
