Florida Water, two tone AP Presidential Rolex  
Florida Water, 2019 Richard Mille and a Patek  
Florida Water, real diamonds, carats, and pointers, and VVS  
Florida Water, roof and car tinted thats a white cuban hit off my chest  
Florida Water, all these flaws I don't cop sulpher baguettes  
Florida Water, ice on my fingers feel like I'm making her wet  
Florida Water, all my pieces cost figures I spend me a check  
Florida Water, when your carat clarity they treat you with respect

Boogers in the face of the watch like I'm a kid  
I knew first chance I got I was gon go big  
Ice on both my fists, ice on both of my wrists  
Top off the coupe like cup no lid  
Niggas runnin round had to go to the bank again  
Make a lot of money take care of my lady friends  
Shopping in London, get chauffeured in the Maybach Benz  
Two tone chains on bet I call em the twins  
Young wanna I got carats like a rabbit  
Put that sky blue face in the all white Patek  
Cop another one like DJ Khaled  
Niggas can't compete I'm out they bracket

Too many 1's and 0's  
Thumbin' through these racks  
My system overload  
Ain't no stuntin' on me  
I went beyond your goals  
I'm too OP for this path I chose  
Gimme that Patek  
Need that AP  
Need that Zaza  
You know I flex  
To disrespect  
To me that's nada  
RTFKT on my feet  
You see the agua  
Tesla Gucci cybertruck  
I'll wreck that shit, don't give a fuck (like ah)  
Just put it on my tab  
I don't see a price, just throw it in my bag  
Always in a foreign when I dash  
Clear water VVS diamonds  
Bust down, make it splash like
