

Guns N' Roses, Absurd

Listem motherfuc*ers to this song
That should be eard
Dragger down in the gutters
More than you deserve
Screaming fucking banshee
You know that's what you are
Pussy full of maggots
Isn't that absurd?

Dizzy littel dreamer with your head down in the stars
Fucking little schemer got yourself inside the heart
Syphilitic priestess baby
I jbiw who you are
Parastic demon sucking acid through your heart

Absurd
Absurd
Absurd
