

# Guns N' Roses, It's Alright"

Told you once about your friends and neighbors  
They were always seeking but they'll never find  
That it's alright, yes it's alright

Where to go, Where to see  
It's always been that way and it can never be  
but it's alright, yes its alright

Give it all and ask for no return  
And very soon you'll see and you'll begin to learn  
that it's alright, yes it's alright
