Guns N' Roses, It's Alright"

Told you once about your friends and neighbors They were always seeking but they'll never find That it's alright, yes it's alright

Where to go, Where to see It's always been that way and it can never be but it's alright, yes its alright

Give it all and ask for no return And very soon you'll see and you'll begin to learn that it's alright, yes it's alright
