Guns N' Roses, Only Women Bleed

Man's got his woman to take his seed He's got the power - oh She's got the need She spends her life through pleasing up her man She feeds him dinner or anything she can She cries alone at night too often He smokes and drinks and don't come home at all

Only women bleed Only women bleed Only women bleed

Man makes your hair gray
He's your life's mistake
All you're really lookin' for is an even break
He lies right at you
You know you hate this game
He slaps you once in a while and you live and love in pain
She cries alone at night too often
He smokes and drinks and don't come home at all

Only women bleed Only women bleed Only women bleed

Only women bleed Only women bleed Only women bleed

Black eyes all of the time Don't spend a dime Clean up this grime And you there down on your knees begging me please come Watch me bleed.

Only women bleed Only women bleed Only women bleed

Only women bleed Only women bleed Only women bleed
