

Guns N' Roses, Reckless Life

I'm reckless and feelin' no pain
You know I've got no need to control
Livin' with the danger
I'm always on the edge now
With million dollar visions that I hold
Livin' like this never ever
Tore my life apart
I know how to maintain
And you know I know my part

On a holiday, a permanent vacation
I'm living on a cigarette with wine
I'm never alone 'cause I've got myself
Yes, I imitate myself all of the time

Livin' like this never ever
Tore my life apart
I know how to maintain
'Cause it's comin' from my heart

I lead a reckless life
And I don't need your advice
I lead a reckless life
And you know it's my only vice

Reckless life
I lead a reckless life
I lead a reckless life
And you know it's my only...

Reckless life
I lead a reckless life
I lead a reckless life
And you know it's my only...
Hey, hey - yeah!
