Guns N' Roses, Silkworms

Listen motherfuckers to this song that should be heard Thrown down in the gutter, its more than you deserve Kneeling fucking virgin, you know that's what you are Pussy for a maggot, isn't that a shock

What can I do? With a bitch like you You know that its true All I have I ask of you I'll be dammed If its not true A bitch like you

Get your head down in the sky Fucking little schemer got yourself a broken heart Syphilitic preachers baby I know who you are Parasitic demons sucking acid through your heart

What can I do? With a bitch like you You know that its true All I have I ask of you I'll be dammed If its not true A bitch like you
