## Gus Gus (GusGus), Polyesterday

I am the paper above the skyscraper. They tried to rape her, she couldn't reach higher. I am the paper above the skyscraper. They tried to rape her, she couldn't reach higher. Polly yesterday, found another way. Polyesterday, synthetic one way or the other. In public, public, they said she was sick in Buick, Buick. Driving naked for an hour. Stark naked! Polly yesterday, found another way. Polly said today she'd find another way, tomorrow. Her people didn't know, her family didn't know.
