

Guttermouth, I'm Punk

i'm a chick with no tits i'm a mess
always been so fond of you do you like the way i dress

look like hell all 7 days
got no tits that's why i say
my parents are rich
that's why i'm such a bitch
boy's underwear makes me feel i'm punk, i'm punk

sixteen years i've had two beers of life
sixteen years i've had two beers
and i know all about life

look like hell all 7 days
got no tits that's why i say
my parents are rich
that's why i'm such a bitch
boy's underwear makes me feel i'm punk, i'm punk

i'm punk, i'm punk

see you at the gig i'll be pickin' my ass and nose
pick, pick, pick, make everyone sick,
see my attitude sure shows

look like hell all 7 days
got no tits that's why i say
my parents are rich
that's why i'm such a bitch
boy's underwear makes me feel i'm punk
