

Guy Sebastian, All I Need Is You

Your all,
your all that i need,
Your all,
Your all that I need,
I remember in a day,
being all so independent,
I remember how I'd say,
I can never fall i was sinical,
Funny now in the days,
Since you came into my life,
Now im other than the same,
Baby I'm amazed by the love you gave.

Finally I can see,
What life really means to me,
to me babe.

All I need is you in my life forever,
All I need is you everyday by my side,
Got to let you know your the one that I treasure,
I can search the world but never find,
A better love that is between you and i,
All i need is you.

yeh
ooh
yeh
aww

When I look into your eyes,
There's a feeling that I can't explain babe,
That is when I realize,
That all I desire is to lay by your side,
Now whenever i'm in love,
I wonder how I live without you,
Shoulda known all along that my only world is you in it girl.

Finally, i can see what life really means to me,
To me yeah yeah.

All I need is you in my life forever,
All I need is you everyday by my side,
Got to let you know your the one that I treasure,
I can search the world but never find,

All I need is you in my life forever,
All I need is you everyday by my side,
Got to let you know your the one that I treasure,
I can search the world but never find,
A better love that is between you and I.

How did I find such a love so true,
When i've only done a little right,
Look and see that it can't be deserved,
That the freedom that you give is mine, (freedom that you give is mine)
Yeah yeah yeah yeah.

All I need is you in my life forever, (ooh yeah)
All I need is you everyday by my side, (in my life)
Got to let you know your the one that I treasure, (treasure)
I can search the world but never find, (no no)
A better love that is between you and I. (oooh)

All I need is you in my life forever, (hey)

All I need is you everyday by my side, (ooh ooh yeah)
Got to let you know your the one that I treasure, (you baby)
I can search the world but never find, (no no)
A better love that is between you and I. (oooh)

All I need is you in my life forever,
All I need is you everyday by my side,
Got to let you know your the one that I treasure,
I can search the world but never find,

All I need is you,
All I need is you,
Got to let you know,
Your all,
Your all that I need,
Your all,
Your all that I need,
Your all,
Your all that I need.
