

Guy Sebastian, Angles Brought Me Here

its been a long and winding journey
but i'm finally here tonight
picking up pieces and walking back into the light
into the sunset of you're glory
where my heart and future lies
there's nothing like that feeling,
when i look into you're eyes

My dreams came true,
when i found you,
i found you,
my miracle...

(chorus)
If you could see what i see
that you're the answer to my prayers
and if you could feel the tenderness i feel,
you would know it would be clear,
that angles brought me here.

Standing here before you feels like i've been born again,
every breath is you're love,
every heartbeat speaks you'r name.

My dreams came true
right here in front of you
My miracle...

(Chorus)
If you could see what i see
you're the answer to my prayers
and if you could feel the tenderness i feel
you would know it would be clear,
that angles brought me here (yeah)

Brought me here to be with you
i'll be forever greatfull oh forever faithful
my dreams came true when i found you
my miracle...

If you could see what i see
you're the answer to my prayers (oh oh oh)
if you could feel the tenderness i feel
you would know it would be clear,
that angles brought me here (Repeat once)
