

# Guy Sebastian, Black & Blue

No one could hate me more than I hate myself  
Cause I only blame me if you fall for someone else  
I'm lost under these sheets  
I'm haunted, tortured by your ghost  
I couldn't be everything you wanted and that's what hurts the most

Somebody's gonna love you  
Love you like I never could  
When you were mine to hold  
I never held you like I should  
Somebody's gonna touch you  
In places I could not get to  
My love was not enough  
And it leaves me black and blue  
And it leaves me black and blue

I tried to replace you  
I tried to cure my thirst  
But that didn't erase you  
It only made it worse

Somebody's gonna love you  
Love you like I never could  
When you were mine to hold  
I never held you like I should  
Somebody's gonna touch you  
And do the things we never do  
My love was not enough  
And it leaves me black and blue  
And it leaves me black and blue

I hope he doesn't make the same mistakes  
I hope he gives more than he takes  
My heart is locked in this fight with fate  
I can't accept that it's too late, oh

Somebody's gonna love you  
Love you like I never could  
My love was not enough  
And it leaves me black and blue  
And it leaves me black and blue  
And it leaves me black and blue  
And it leaves me black...  
And it leaves me black and blue
