Guy Sebastian, Can You Stand The Rain

On a perfect day, I know that I can count on you, yeah
When that's impossible, tell me can you weather the storm
Cause I need somebody who will stand by me
Through the good times and bad times
She will always, always be right there

Sunny days, everybody loves them
Tell me baby, can you stand the rain?
Storms will come, this we know for sure
Can you stand the rain?

Love unconditional, I'm not asking this of you, yeah
See we got to make it last
I'll do whatever needs to be done
Cause I need somebody who will stand by me
Through the good times and bad times
She will always, always be right there

Sunny days, everybody loves them
Tell me, can you stand the rain?
Storms will come, this we know for sure
Tell me, tell me
Can you stand the rain?
Can you stand the rain?

Baby, we got to make it last
Cause I need you baby!
Can you stand the rain
The sun is always gunna change
(Can you stand the rain?) [repeat]
Cause I want you baby!
Cause I need you here!
Will you be there?
The sun we know is gunna shine!
I want ya, I need ya, I love ya, will you be there? (Fade)
