

Guy Sebastian, Jesus Is You

There's a love that comes from heaven
There's a peace that flows from the throne
There's a joy that surpasses all sadness
It's in You
Jesus in You

There's no greater love than what You gave
When You rose up from the grave
And You set me free from sin
And now I'm saved

So I'll worship Jesus
I long to know You more
Comforter, Saviour, Jesus
I lift my hands in surrender to my Lord

There's a freedom in the Holy Spirit
There's compassion in the heart of God
There is power that overcomes the works of the enemy
It's in You
Jesus in You
