

GWAR, I Suck On My Thumb

Every time that I see you
I think that you're dumb
Every time that I see you
I suck on my thumb

You're asking a question
How come
Every time that I see you
I suck on my thumb

I suck on my thumb
I suck on my thumb
I suck on my thumb
I suck on my thumb

I suck on my thumb I love you
I suck on my thumb I love you
I suck on my thumb I love you
I suck on my thumb I love you
