

# GWAR, Surf Of Syn

(Vocals by Cardinal Syn)

Unsheathe the sword, call the death squad  
Let loose the dogs, make me your God  
Blaspheme the name, stretch forth thy rod  
Get on your knees, make me your God

Unleash the nuns, curse the Earth  
Devour the worm, I am your God  
Suffer the plague, repent your sin  
Declare unclean, my God machine  
Number the beasts, sound the horn  
Suffer the wrath, bring me your first born
