

Gwen Stefani, Now That You Got It (2007)

(And now with the following collection of the swizzy sound) (Oh)

Now that you got it, what you gonna do about it? (Oh)
Now that you got it, what you gonna do about it? (Oh)
Now that you got it, what you gonna do about it?
What you gonna do about it? what you gonna do about it? (Oh)
Now that you got it, what you gonna do about it? (Oh)
Now that you got it, what you gonna do about it? (Oh)
Now that you got it, what you gonna do about it?
What you gonna do about it? what you gonna do about it?

Now that I'm your baby, the things you promised me now I want
Now that you got it, what you gonna do about it?
What you gonna do about it? what you gonna do about it?

All the stars I was reachin' for you had in the palm of your hand
And if for just once I would let the padlock on the door be open
Well, damn it, just get on over here
This better be the best thing I ever felt
My days, they better be sunny
It better be nothing but all that I want

Now that I'm your baby, the things you promised me now I want
Now that you got it, what you gonna do about it?
Now that you got it, what you gonna do about it?
If I'm really your baby, then share with me your secrets and all
Now that you got it, what you gonna do about it?
What you gonna do about it? what you gonna do about it?

I'm the raddest queen of them all
I could have anyone, so what I want
Perfect, get it right, never wrong
So you gonna step it up or you gonna be gone
(Not like the rest) not this
(Nothing is typical) nothing is typical
(This is not a test) no test
(This is official) it's all gotta be official

Now that I'm your baby, the things you promised me now I want
Now that you got it, what you gonna do about it?
Now that you got it, what you gonna do about it?
If I'm really your baby, then share with me your secrets and all
Now that you got it, what you gonna do about it?
What you gonna do about it? what you gonna do about it?
(Yo Gwen, whatcha make 'em do?)

Well, I'd train him like a marine corps (marine corps)
Boot camp, make him like a superhero (yes, ma'am)
That always better be his response
And I don't give a fuck about Elton John (Elton John)
Show me your skeletons, let's not play games (play games)
We can be closer than sharing last names (give me my name)
The award is a purple heart, it could be yours
If you earn that medal, yup, you could be my boy

Uh, uh, uh, uh, uh, uh, uh, uh, uh, uh-uh-uh
Uh, uh, uh, uh, uh, uh, uh, uh, uh, uh-uh-uh

If I'm really your baby, then share with me your secrets and all
Now that you got it, what you gonna do about it?
What you gonna do about it? what you gonna do about it?
If I'm really your baby, then share with me your secrets and all
Now that you got it, what you gonna do about it?
What you gonna do about it? what you gonna do about it?

Now that you got it, what you gonna do about it? (hey, hey, hey) (Oh)
Now that you got it, what you gonna do about it? (hey, hey, hey) (Oh)
Now that you got it, what you gonna do about it? (hey, hey, hey) (Oh)
What you gonna do about it? what you gonna do about it? (hey, hey, hey) (Oh)
