

H-Blockx, 9:08 A.M.

A lack of sympathy is what it means to me
In my eyes tears I've cried
Lived through that tragedy, kissed by the memory
Why....

Darkness shines so bright
Night is wrapped in sunlight
Uncertainty is the guide
Helplessness will satisfy
Shame turned into pride
Dirt has cleansed virginity

Chorus:
Love's a word of antipathy
That's what you mean to me
Cause you're Anna M, Anna M
You smiled at me while you're killing me
Smiled while you're selling me
Piece by piece again

Sunlight shines so bright
The night is wrapped in darkness
Certainty is the guide
Helplessness unsatisfies
Steadfastness's my pride
Dirt has stained virginity

Chorus

A lack of sympathy is what this means to me
Why...
Lived through a tragedy kissed by the memory
Loved once I loved ones die
