

# H-Blockx, Hi Hello

You know i got it,  
You know i care,  
In any sens of a matter we look and stare,  
If you've got it, just let it be  
We don't get ready to find just what you need,  
If you don't know me - I just say: Hello  
and everybody is just ready to let go,  
You hear me callin,  
Ready to fall  
For just a moment we're ready to give it all.

This is a call out, a call out for you,  
I wonder how you're doin at all,  
A call out, a call out for you.  
I wonder how you're doin so:  
Hi, Hello, How're you doin?  
Hi, Hello, How're you do you do?  
Hi, Hello, know what you're doin,  
When you say: What you mean?  
See what i see, I know.

Say how many, you say too much.  
Say, come get drunken,  
Dance before we touch  
If i say: Jump, don't even try  
let's be \_\_\_  
Get ready to sympatize  
If you don't know me - I just say: Hi  
If you  
Sand me an e-mail  
and everybody is just welcome
