

# H.E.R., Damage

If you got it  
It ain't no question  
No, it ain't no room for guessin'  
No more than emotionally invested  
Showin' you all my imperfections

If i let you  
You'll take me for granted  
Yeah!  
You /4x  
If i wolr all day you  
Could manage, manage

Opne with me  
Oh, we could be honest  
Closer to me  
Oh  
Givin' me silence  
Promise that you won't  
Let mefall,  
Oh, oh

Hooldin' me tight  
Lovin' me right  
Givin' me life  
All night you could be  
you could be  
tellin' me lies  
makin' me cry  
wastin' my time  
the whole time  
so just be

careful what you take  
foe granted  
cause with me know  
you could do damage
