

# H.E.R., I Can't Breathe

Started a war screaming Peace  
At the same time  
All the corruption, injustice  
The same crimes  
Always a problem if we do or don't  
Finding we, nah, we don't have the same rights

What is a gun to a man that surrenders?  
What's it gonna take for someone to defend us?  
If we agree that we're equal as people  
Then why can't we see what is evil?

I can't breathe  
You're taking my life from me  
I can't breathe  
Will anyone fight for me?

How do we cope when we don't love each other?  
Where is the hope and the empathy? How do we judge off the color?  
The structure was made to make us the enemy

Prayin' for change  
Cause the pain makes you tender  
All of the names you refuse to remember  
Were somebody's brother or friend  
Son to a mother that's crying, see
