

H.I.M., One Last Time

Is it so hard to believe that our hearts are made to be broken by love
That in constant dying lies the beauty of it all
My darling won't you feel
The sweet heaven in our endless cry

Oh at least you could try
For this one last time

Ever amazed how bright are the flames we are burning in
Ever smiled at the tragedies we hold inside
My darling won't you cherish the fear of life that keeps
You and me so alive

Oh at least you could try
For this one last time
It could be alright
For this one last time

Oh at least you could try
Let me just to be closer
For this one last time
Let me fall into your arms
It could be alright
Don't let us grow any colder
For this one last time
Let me close to your heart

Oh at least you could try
Let me just to be closer
For this one last time
Let me fall into your arms
It could be alright
Don't let us grow any colder
For this one last time
Let me close to your heart
