## H.I.M., Your Sweet Six Six Six

There are things you should know The distance between us seems to grow But you're holding on strong Oh how hard it's to let go, oh so hard to let go

I'm waiting for your call and I'm ready to take your six six six in my heart I'm longing for your touch and I welcome your sweet six six six in my heart

I'm losing my faith in you You don't want it to be true But there's nothing you can do There's nothing you can do - Yes, I've lost my faith in you

I'm waiting for your call and I'm ready to take your six six six in my heart I'm longing for your touch and I welcome your sweet six six six in my heart

How long we have to wait For love is fading so slowly I know it's too late Oh my god you're so lonely

I'm waiting for your call and I'm ready to take your six six six in my heart I'm longing for your touch and I welcome your sweet six six six in my heart I'm ready for your call and I'm ready to take your six six six in my heart I'm longing for your touch and I welcome your sweet six six six in my heart In my heart In my heart In my heart In my heart
