

# Haddaway, I Know

Everytime I look at you  
I know one thing is true  
I never ever wanna lose you  
In my life  
Even When the times are rough  
WE've got a special love  
Tear apart  
And I know  
I'm there  
I swear  
That I will never turn away  
We stay together  
And I know  
For long  
We're strong  
And our love is Made forever  
We stay together  
What we have is so much more  
That what we had before  
A dream to hold on tight for  
All the time
