

Haddaway, I Miss You (Another Version)

I know if you could hear me you would
Say there are always two sides of a story
You're so right, here's mine
I cannot live without you

Love was never easy,
But leaving you was hard,
And time didn't heal my wounds at all
I wonder, if you know what I'm going through
All the lonely times that we're apart

Chorus:
I miss you, oh I miss you
I'm gonna need you more and more each day
I miss you, more than words can say
More than words can ever say

Saying sorry was a question of my pride
Pride can push aside a loving heart,
In the end emotion has ruled my mind
And I'm asking for a second start

Chorus

Maybe I've said words that really didn't
mean, but I know, every day
When a man does wrong
I know I miss you

Chorus
