

# Haddaway, Tell Me Where It Hurts

Words & Music by Diane Warren  
(c) 1992 Realsongs, the Diane Warren Trust

Just tell me where it hurts now baby,  
And I'll love you with a love so tender  
And if you let me stay I'll love all the hurt away  
Why is that sad look in you eyes  
Why are you crying  
Tell me now tell me now  
Tell me why you're feeling this way  
I hate to see you so down  
Oh baby is it your heart  
Ooh Breakin' all in pieces  
Makin' you cry  
Makin' you feel blue  
Is there anything I can do  
Why don't you tell me where it hurts now baby  
And I'll do my best to make it better  
I'll do my best to make the tears all go away  
Just tell me where it hurts now tell me  
And I'll love you with a love so tender  
And if you let me stay I'll love all the hurt away  
Girl tell me, where are all those tears coming from  
Why are they fallin'  
Did somebody somebody leave your heart in the cold  
You just need somebody to hold give me a chance to put back all the pieces  
Take your broken heart  
Make it just like new  
There's so many things that I can do  
Why don't you tell me where it hurts now baby  
And I'll do my best to make it better  
I'll do my best to make the tears all go away  
Just tell me where it hurts now tell me  
And I'll love you with a love so tender  
And if you let me stay I'll love all the hurt away  
Baby, If you'd only tell me where it hurts I know I can make it better.  
If I could wrap my arms around your heart  
I'd would hold you tight, and let you know everything is gonna be alright.  
So take a chance with me baby. I dont wanna see you cry.  
Is it your heart Ooh that's breakin' all in pieces  
Makin' you cry Makin' you feel blue  
Is there anything I can do  
Tell me where it hurts now baby  
And I'll do my best to make it better  
I'll do my best to make the tears all go away Just tell me where  
it hurts now tell me  
And I'll love you with a love so tender  
And if you let me stay I'll love all the hurt away
