

HAIM, Don't Wanna

You did me so bad
When i was in the moment
Well, i didn't understand
You did me so harsh
Left me low in my high heels
In the parking lot

Always thought i'd see it coming
But i don't
Got to leave the engine running
In the front seat
In my mom's winter coat

I don't wanna give up on you
I don't wanna don't wanna
I don't want to have to
Well we both had nights
But i don't wanna don;t wanna
I don't wanna to give up yet

It's still early days
Don't know what i mean to you
Hard to know what to say
Don't walk away
Don't look at me like tahat
Cause my minds about to change

Can't believe that i am nervous
Face to face
All our problems on the Surface
Is it worth this?

i don;t think it's too late
I don't wanna give up on you
I don't wanna don't wanna
I don't want to have to
Well we both had nights
But i don't wanna don;t wanna
I don't wanna to give up yet
