

HAIM, The Wire

You know I'm bad at communication, it's hardest thing for me to do
You know it sad, the most difficult relationships you go through
And I gave it all away just so I could say that well
I know I know I know I know you're gonna be ok anyway
You know there's no rhyme or reason for the way you turned out to be
I didn't go and try to change my mind not intentionally
I know it's hard to hear me say it but I can't bear to stay and
I just know I know I know I know you're gonna be alright anyway

Always keep your heart locked tight don't let your mind retire
But I just couldn't take it I tried hard not to fake it but
It followed me when It came down to the wire
It's the wire,(about)
It's the wire,(about)
But it followed me when it
Came down to the wire.

Does your imagination make you what you wanted to be
Because I'm sorry now for what I did, it came naturally
So I gave it all away just so I could say that
I know I know I know I know that you gonna be ok anyway

I try to keep myself together All the opportunities
Stay true to you and try to do what you want me to do
So I Gave it all away just to hear you say that
Well I know I know I know I know that you gonna be ok anyway

Always keep your heart locked tight don't let your mind retire
But I just couldn't take it
I tried hard not to fake it but
It followed me when It came down to the wire
It's the wire,(about)
It's the wire,(about)
But it followed me when it
Came down to the wire.

It's the wire,(about)
It's the wire,(about)
But it followed me when it
Came down to the wire.

Always keep your heart locked tight don't let your mind retire
Always keep your heart locked tight don't let your mind retire

But I just couldn't take it
I tried hard not to fake it but
It followed me when It came down to the wire
(Always keep your heart locked tight don't let your mind retire) 2X

It's the wire, (about)
It's the wire, (about)
But it followed me when it
Came down to the wire.
