

Halo James, Baby

Pretending that you were faithful to me
Knowing that your heart's with someone else
Living with a hope was just my dream
I was sleeping in your shadow
Now you can see it clearly in the light
Knowing there's no complications
Now you can see a chance to live your life
Instead of feeling sorry for yourself

CHORUS:

Oh baby, oh baby, we did the best we could do
I'm sorry that you're leaving
Baby, oh baby, you've found a light in the sky
And someone to believe in
Pretending that you were faithful to me
Knowing that your heart's with someone else
Knowing there's a chance to live your life
Instead of feeling sorry for yourself
I hoped that one day
Given time we'd have made it

CHORUS

I hoped that one day
Given time we'd have made it
All I know is, all I know is
I'll be waiting for you

CHORUS

Baby, there's someone out there who cares
And if you feel low with no place to go
Think of me

CHORUS
