[Intro]

Ah, ah, ah, ah  
Ah, ah, ah, ah  
Ah, ah, ah, ah  
Ah, ah, ah, ah

[Verse 1]

He said, "Darling, who you praying to?  
Was anybody answering you?  
Because I've done my part for twelve years now  
And I can't seem to get through"

He said, "I really don't care if you cut your hair  
And I really wouldn't mind if we don't go anywhere  
Cause I've got you, yeah, I've got you now  
I've got you"

[Hook]

And you think my bruised knees are sort of pretty  
And I think your tired eyes are kind of nice  
And when I first met you, there was a garden  
Growing from a black hole in my mind

[Interlude]

Ah, ah, ah, ah  
Ah, ah, ah, ah  
Ah, ah, ah, ah  
Ah, ah, ah, ah

[Verse 2]

He said, "Darling, what's it coming to?  
And have you got a lighter on you?  
Been trying put these down for ages now  
But I can't seem to come through"

He said, "I really don't mind if we take our time  
Cause I've got a couple bottles of your favorite wine  
Cause I've got you, yeah, I've got you now  
I've got you"

[Hook]

And you think my bruised knees are sort of pretty  
And I think your tired eyes are kind of nice  
And when I first met you, there was a garden  
Growing from a black hole in my mind

[Bridge]

Said I love everything that you've got, boy  
Tell me, would you be mine?  
Be mine, be mine  
Sick, sweet nothing's you're tryna talk, boy  
Tell me would you be mine?  
Be mine, be mine

[Hook]

And you think my bruised knees are sort of pretty  
And I think your tired eyes are kind of nice  
And when I first met you, there was a garden  
Growing from a black hole in my mind
