

# Halsey, Without Me

Found you when your heart was broke  
I filled your cup until it overflowed  
Took it so far to keep you close (keep you close)  
I was afraid to leave you on your own

I say I'd catch you if you fall  
And if they laugh, then fuck 'em all  
And then I got you off your knees  
Put you right back on your feet  
Just so you can take advantage of me

Tell me how's it feel sittin' up there  
Feeling so high but too far away to hold me  
You know I'm the one who put you up there  
Name in the sky  
Does it ever get lonely?  
Thinking you could live without me  
Thinking you could live without me  
Baby, I'm the one who put you up there  
I don't know why (Yeah, I don't know why)  
Thinking you could live without me  
Live without me  
Baby, I'm the one who put you up there  
I don't know why (I don't know why, yeah yeah)

Gave love 'bout a hundred tries  
Just running from the demons in your mind  
Then I took yours and made 'em mine  
I didn't notice 'cause my love was blind

Say I'd catch you if you fall  
And if they laugh, then fuck 'em all  
And then I got you off your knees  
Put you right back on your feet  
Just so you can take advantage of me

Tell me how's it feel sittin' up there  
Feeling so high but too far away to hold me  
You know I'm the one who put you up there  
Name in the sky  
Does it ever get lonely?  
Thinking you could live without me  
Thinking you could live without me  
Baby, I'm the one who put you up there  
I don't know why (Yeah, I don't know why)  
Thinking you could live without me  
Live without me  
Baby, I'm the one who put you up there  
I don't know why, yeah

You don't have to say just what you did  
I already know  
I had to go and find out from them  
So tell me how's it feel (oh-woah)

Tell me how's it feel sittin' up there  
Feeling so high but too far away to hold me  
You know I'm the one who put you up there  
Name in the sky  
Does it ever get lonely?  
Thinking you could live without me  
Thinking you could live without me  
Baby, I'm the one who put you up there  
I don't know why (Yeah, I don't know why)
