

# Hammerfall, Built to Last

Long before these walls will come down  
The King rejected his crown  
All blasphemers stood in line  
To spread their gospel and lies

But a wind of change came in from the past  
The legendary...

Templars of steel – We came here to win  
Never will kneel – We never give in  
This is our deal – The future 'n' past  
Built to Last

Templars of steel – We came here to win  
Never will kneel – We never give in  
This is our deal – The future 'n' past  
Built to Last

Solid backbones cast in steel  
We bow, but we never kneel  
Welcome to thy Kingdom Come  
The place, where we can be free

When eagles fly our spirits unite  
Darkness turns to...

Templars of steel – We came here to win  
Never will kneel – We never give in  
This is our deal – The future 'n' past  
Built to Last

Templars of steel – We came here to win  
Never will kneel – We never give in  
This is our deal – The future 'n' past  
Built to Last

It's not a dream, visions can you steal  
It's not a scheme, we are true to our deal

Built to – Built to Last  
Built to – Battle to the core

Built to – Built to Last  
Built to – Win this sacred war

Templars of steel – Never will kneel  
This is our deal – Built to last  
Templars of steel – Never will kneel  
This is our deal – Built to last

Templars of steel – We came here to win  
Never will kneel – We never give in  
This is our deal – The future 'n' past  
Built to Last

Templars of steel – Our destiny's call  
Never will kneel – United we fall  
This is our deal – The hearts beating fast  
Built to Last
