

# Hammerfall, Ex Inferis

Ex Inferis

On a dusty shelf, buried over ground  
In the corner of the attic  
Where the bats come and play

Oh, they linger on  
Preserved, embraced in silence  
A script, a tale, kept from the light of day

The fear of god  
A recital of a story only for the strong to find

As you kneel down, you feel the cold wind blow  
Kill the switch, lock all the exits  
The curse, the spell the words begin to glow

The sun is silent  
Nine circles, the passage into the abyss

Ex Inferis, remember my name  
Ex Inferis, demon from Hell

Abandon hope as you step inside  
The rebellion of angels  
Who reside these darkened shores

Oh, waist deep in ice  
Surrounded by the fire  
The purgatory gate, nowhere to go

This is your calling  
Malicious and violent, the circles of hell

Limbo, lust and gluttony  
Rage out of control  
Greed and anger, heresy  
The price to cleanse thy soul

Ex Inferis, remember my name  
Ex Inferis, demon from Hell  
Ex Inferis, remember my name  
Ex Inferis, demon from Hell

All for one, but none for all  
Enslaved, we will succumbe  
Violence, fraud, no Kingdome Come  
Reborn in treachery

Ex Inferis, remember my name  
Ex Inferis, demon from Hell  
Ex Inferis, remember my name  
Ex Inferis, demon from Hell
