

Hammerfall, Hammer of Dawn

Thunder lightning
Hammer fighting

Once I was lost in the promised land
In search of the spark and the flame
A warrior soul, with a mighty zeal
The hammer beside me, a heart made of steel

I can't pretend, never let it go
'Cause everything comes with a price
What you have done, what you put me through
The devils incarnate is coming for you

Vengeance is my path to glory
Blood will be shed, hatred is the sign
The sign

Thunder lightning
Hammer fighting
Battle dawning
Vengeance coming

I am the demon inside your mind
I am the Devil you know
No place to hide, so you better run
Or enter my showdown, let justice be done

Spread your gospel, false and evil
Time to read the writings on the wall
The wall

Thunder lightning
Hammer fighting
Battle dawning
Vengeance coming

Thunder lightning
Hammer fighting

Now raise the hammer to sky
This is your time, live or let die
Under a thousand shining suns
Your final showdown has begun

Hammer of Dawn will lead the way
You live to fight another day
For every battle there's a scar
Telling the story who you are
