

Hank Green, I Know

I don't think you know what you think you know baby
But baby don't you think that I know what I know maybe
Baby I know what you think that I don't know

I know I know I know I know I know
I know I know I know I know I know

I know that you don't think I know that I know what I know
I don't know what you think I think you think you know I don't
But I know what you don't think I know
I know I know I know

Baby I know that you don't know what I know
Baby I know that you don't know what I know

I don't know what I think but I know what I know
But you think that you know what I know that you don't
That I know what you think I don't know

I know I know I know I know I know
I know I know I know I know I know

I know that you don't think I think that I know what I know
I don't know what you think I think you think you know I don't
But I know what you don't think I know
I know I know I know

Baby I know that you don't know what I know
Baby I know that you don't know what I know
