

Hank Locklin, Love Has A Mind Of Its Own

I'd love to forget every time that you kissed me I'd love to forget that you're gone
I'd gladly hold back every tear that I'm crying for love has a mind of its own
Love is the ruler the greatest of kings love sets a pie on a throne
Forgetting you darling is not my decision for love has a mind of its own
[piano]
I don't want to carry this worrison heartache I don't want to cry all night long
I wish I could run from the day that I met you but love has a mind of its own
Love is the ruler...
Yes love has a mind of its own
