

# Hank Snow, A Daisy Day

Recorded by Hank Snow

He remembers the first time he met her  
He remembered the first thing she said  
He remembered the first time he held her  
And the night that she came to his bed  
He remembers her sweet way of sayin'  
Honey has something gone wrong  
He remembered the fun and the teasin'  
And the reason he wrote her this song

## CHORUS

I'll give you a daisy a day dear  
I'll give you a daisy a day  
I'll love you until the rivers run still  
And the four winds we know blow away

They would walk down the street in the evening  
And for years I would see them go by  
And their love that was more than the clothes that they wore  
Could be seen in the gleam in their eyes  
As a kid they would take me for candy  
And I'd love to go taggin' along  
We'd hold hands while we walked the corner  
And the old man would sing her this song

## CHORUS

I'll give you a daisy a day dear  
I'll give you a daisy a day  
I'll love you until the rivers run still  
And the four winds we know blow away

Now he walks down the street in the evening  
And he stops by the old candy store  
And I somehow believe he's believin'  
He's holdin' her hand like before  
For he feels all her love walkin' with him  
And he smiles at the things she might say  
Then the old man walks up to the hill top  
And gives her a daisy a day

## CHORUS

I'll give you a daisy a day dear  
I'll give you a daisy a day  
I'll love you until the rivers run still  
And the four winds we know blow away
