

Hank Snow, Christmas Roses

Christmas roses to you I'm sending
May they bring the Christmas joy though we're apart
Christmas roses will say I love you as the tender message echoes from my heart
Though I can't be with you on this Christmas Day
Remember that I'll always love you though I'm far away
Christmas roses to you I'm sending
May they bring the Christmas joy though we're apart
[piano + ac.guitar]
Though I can't be with you...
