

Hank Snow, Little Stranger (In A Manger)

Little stranger in a manger little stranger sweet and mild
Mother Mary daddy Joseph watch o'er you their holy child
Searching for you to adore you come Three Kings led by a star
Little stranger in a manger they'll find heaven where you are
Choir of angels are singing this night of your birth
Praise and glory to the highest in a stable on earth
Humble shepherds filled will wonder kneel and pray by lantern light
Little stranger in a manger bless our soul this holy night
Choir of angels are singing this night of your birth
Praise and glory to the highest little stranger here on earth
[vibes]
Humble shepherds filled will wonder...
(Little stranger here on earth)
