

Hank Snow, When My Blue Moon Turns To Gold

Written by Wiley Walker and Gene Sullivan

Recorded by Hank Snow

Verse 1:

Memories that linger in my heart,
Memories that make my heart grow cold,
Someday we'll live them all again,
When my blue moon again will turn to gold.

Chorus:

When my blue moon turns to gold again,
When the raindrops turn the clouds away,
When my blue moon turns to gold again,
You'll be back here in my arms to stay.

Verse2:

The castles we built in dreams together
Tell the sweetest story ever told,
Someday we'll live them all again
When my blue moon again will turn to gold.
[Chorus]

Verse3:

The lips that used to thrill me so,
Your kisses were meant for only me.
Someday we'll live them all again,
When my golden moon is just a memory.
[Chorus]
