

# Hank Williams Jr., I Can't Decide

I can't decide my heart is in abide I can't decide but I know now's the time  
I love you dear I won't leave you behind  
But there's someone else I can get off my mind  
Now I don't know what to do in this case all that I know is that I will have to pay  
I'm not able to throw one's love aside I know I must but I can't decide  
[ steel ]  
I guess that there's only one thing to do  
Just tell the judge my wife can't have both of you  
How could I leave my daughter or my son behind I guess it's best I can't decide  
I guess it's best I can't decide
