

# Hank Williams Jr., I've Got A Right To Cry

I've got a right to cry I've got a right to cry  
All day I sing the blues I'm in my lonely shoes  
Could you be so unkind I nearly lost my mind  
I wonder if you care my life is a sad affair  
My heart is aching and it's breaking  
And I don't know what to do sweetheart it's all because of you  
You know you've done done me wrong come on back home where you belong  
And in this reason why I've got a right to cry  
Yeah my heart is aching...  
I've got a right to cry
