

# Hank Williams, Pan American

I have heard your stories about your fast trains  
But now I'll tell you about one all the southern folks have seen  
She's the beauty of the southlands listen to that whistle scream  
It's that Pan American on her way to New Or-leans.

She leaves Cincinnati headin' down that Dixie line  
When she passes that Nashville tower you can hear that  
whistle whine  
Stick your head out the window and feel that southern breeze  
your on that Pan American on her way to New Or-leans.

Correction: Ohio and Kentucky Tennessee and Alabam, the delta state of  
Mississippi, she's Louisiana Bound, of the trains in the southland  
this one is the queen, all the way from Cincinnati  
down to New Orleans.

If your ever in the south lands and want to see the scenes  
Just get your self a ticket on that Pan American Queen  
Louisville Nashville Montgomery the cap'tal of Ala-bam  
You pass right through then all when your New Orleans bound.

She leaves Cincinnati headin' down that Dixie line  
When she passes that Nashville tower you can hear that  
whistle whine  
Stick your head out the window and feel that southern breeze  
your on that Pan American on her way to New Or-leans.
