Hank Williams Sr., Hellbilly

Well hey there mister man, what's that you say Well you don't like our style and you say that we're out of date

With a little bit of hellbilly country music a little bit of hellbilly country music a little bit of hellbilly coming your way

I'm a little hellbilly I'm a little hellbilly

Well I's raised on a farm and I drive my truck and I milk them cows and I don't give a f**k

Drink my wine nine to five catch catfish and I like to fight

I'm a little hellbilly I'm a little hellbilly

Well I'm doing my time and I drive my truck and I don't give a f**k when I'm stuck in the mud

Drink my beers raise my steers I like country music and I love Webb Pierce

I'm a little hellbilly I'm a little hellbilly
