

Hank Williams Sr., Ten Feet Down

Hey motherf**ker
you don't have to tell me
I know that I am not like you
I'm not like you

You don't have a way
I don't have a way
You don't have a sign
I don't have a sign
Hey man, what the f**k is wrong with you?

Ten feet down
in a hole
In the ground
you will go
From my fist

You don't understand
She don't understand
They don't understand
We don't understand about you -
about you

You don't have a way
I don't have a way
You don't have a sign
I don't have a sign
Hey man, don't make me punch you

Ten feet down
in a hole
In the ground
you will go
From my fist

You wanna talk shit now motherf**ker?
You wanna talk shit now motherf**ker?
You wanna talk shit now motherf**ker?
You wanna talk shit now motherf**ker?

Take you down
Take you down
Take you down
Take you down

Take you down
Take you down
Take you down

Feel my pain
Feel my pain

It hurts so bad
It hurts so bad

It'll take you out
