

Hanson, Dream Girl

Tell me that you love me
You say you don't but you don't know

See you in my dreams
And you are so fair
I tried so hard to find you
But you were never there
You're my dream girl
And none can compare

You're always with me
In our kingdom far away
You will be her majesty
And together we will reign
You're my dream girl
It'll always be that way

Whoa Whoa Whoa Whoa Yeah
Whoa Whoa Whoa Whoa Yeah

Walking into the night
Just waiting to hear you say
Everything will be alright
And I will be okay
You're my dream girl
It'll always be that way

Whoa Whoa Whoa Whoa Yeah
Whoa Whoa Whoa Whoa Yeah

You'll always be that way
No matter what they say
You'll always be that way
No matter what they say
You'll always be that way
No matter what they say yeah

You say you don't want to
Tell me that you love me
You say you don't but you don't know

You'll always be that way
No matter what they say
You'll always be that way
No matter what they say
You'll always be that way
No matter what they say

You're my dream girl
You'll always be that way

Wear you down
you say you don't
wear you down
you say you don't

You say you don't want to tell me
that you love me
You say you don't but you don't know

You'll always be that way
You'll always be that way
You'll always be that way
