

# Hanson, Dying To Be Alive

I heard you crying  
Somebody stole my soul  
How could I be dying  
I turned twenty five days ago

We're all on the ground crying out  
Would somebody save me please  
I won't sit around just thinking about  
The troubles that tomorrow brings  
Yeah

chorus  
I'm dying to be alive, yeah  
I'm dying to be alive, yeah  
Lets not go through our lives  
Without just dying to be alive  
Yeah

The people you've touched  
The way you've touched them  
I hope they've touched you too

'Cause in this life it's hard to tell  
What is false and what is true

We're all on the ground just crying out  
Would somebody save me please  
I won't sit around just thinking about  
The troubles that tomorrow brings

I'm dying to be alive, yeah  
Not trying to just survive, yeah  
Lets not go through our lives  
Without just dying to be alive  
Yeah

And we all come  
Tumbling down  
No matter how strong  
We all return to the ground  
Another day gone  
A day closer to fate  
And soon we'll find it's a little bit too late  
Too late

Na Na Na-na  
Na Na Na-na  
Na Na Na-na na  
Na Na Na-na  
Na Na Na-na  
Na Na Na-na na

The things you see the way you see them  
Will never been seen again  
Let's go through life living on luck  
Betting ten thousand to ten  
Yeah  
Mistakes I've made in this life  
I can't say why or when  
But the thing that's strange is you only live once  
I'll never look back again

Yeah  
I'm dying to be alive, yeah

Not trying to just survive, yeah  
Let's not go through our lives  
Without just dying to be alive  
Yeah

Dying to be alive, yeah  
Not trying to just survive, yeah  
Let's not go through our lives  
Without just dying to be alive  
Yeah

And we all come tumbling down  
No matter how strong  
We all return to the ground  
In the days to come you'll say why did I wait  
You can't just leave your life up to fate  
You got to turn it around before it's too late
