

Hanson, Hope It Comes Soon

THESE LYRICS ARE UNFINISHED... I GOT FED UP WITH THE DOOOOS

Well, I hope it comes now
Well, I hope it comes soon
Well, I think it's about time
I stopped waiting for you, for you

Doo, doo, doo, doo, doo, doo
Say doo, doo, doo, doo, doo, doo
For you
Doo, doo, doo, doo, doo, doo
Say doo, doo, doo
Well I hope it comes soon
Doo, doo, doo, doo, doo, doo
Say doo, doo, doo, doo, doo, doo

Say, you know
There's nowhere else to pass the buck
This time
Say, we run every time it's getting rough
'Cause there is nowhere to hide

It's hard just making it by
But I'm tired of toeing the line

Feels like a change is gonna come
Feels like a change is gonna come
Yeah...

Well, I hope it comes now
Well, I hope it comes soon
Now, I think it's about time
I stopped waiting for you, for you
Well, I hope it comes now
Well, I hope it comes soon
Well, I think it's about time
Feels like a change is coming

Doo, doo, doo, doo, doo, doo
Say doo, doo, doo
Well, I hope it comes soon (doo, doo, doo)
Doo, doo, doo, doo, doo, doo
Say doo, doo, doo, doo, doo, doo (waiting for you)

Say, step back
And look at where we've ended up
This time
Are you satisfied
Getting by with just enough
Or are you ready to start trying?

Say, somehow we've been making it by
But I'm tired of toeing the line

Feels like a change is gonna come (feels like change is gonna come)
Feels like a change is gonna come (feels like change is gonna come)
Yeah... (doo, doo, doo)

Well, I hope it comes now
Well, I hope it comes soon
Well, I think it's about time
I stopped waiting for you, for you
Well, I hope it comes now
Well, I hope it comes soon

Well, I think it's about time
Feels like a change is coming soon

Doo, doo, doo, doo, doo, doo
Say doo, doo, doo
Well, I hope it comes soon (doo, doo, doo)
Doo, doo, doo, doo, doo, doo
I'm not waiting for you (doo, doo, doo, doo, doo, doo)
Whatcha gonna doo, doo, doo, doo, doo, doo
Say doo, doo, doo, doo, doo, doo

No...
No, no

Feels like a change is gonna come (feels like change is coming)
Feels like a change is gonna come (feels like change is coming)
And I hope a change is gonna come (feels like change is coming)

Whatcha gonna doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo, doo, doo (soon)
Doo, doo, doo, doo, doo, doo
I say doo, doo, doo
Well I hope it comes soon (doo, doo, doo)
Doo, doo, doo, doo, doo, doo
I'm not waiting for you (doo, doo, doo, doo, doo, doo)

Well, I hope it comes now
Well, I hope it comes soon
Well, I think it's about time
Feels like a change is coming

Doo, doo, doo, doo, doo, doo
Say doo, doo, doo
Well, I hope it comes soon (doo, doo, doo)
Doo, doo, doo, doo, doo, doo
I'm not waiting for you
Feels like change is coming (doo, doo, doo, doo, doo, doo)
Feels like change is coming soon (doo, doo, doo, well I hope it comes soon)
Doo, doo, doo, doo, doo, doo
I'm not waiting for you (doo, doo, doo, doo, doo, doo)
Whatcha gonna doo, doo, doo, doo, doo, doo (feels like change is coming)
Doo, doo, doo, well, I hope it comes soon (feels like change is coming soon)
Doo, doo, doo, doo, doo, doo
