

Hanson, I Don't Know

Yeah, yeah, yeah, whoa, whoa
Well, I can't take this any longer, no
Well, I can't do this anymore
Well, I'm not getting any stronger
I don't know how to feel this anymore

chorus

You can't tell me what you want
After all that you've done for me
We can't make it all undone
But can't you see that

I don't know what to think and
You can't tell if we're dreaming
I wish that I could just let this go
But I'm thinking that I don't know
What I'm feeling we just need space for breathing
I wish that I could just let this go
But I'm thinking that I don't know

I've had these thoughts a thousand times before
I'm up against a wall I can't ignore
I wish you didn't feel so good to hold
'Cause then it wouldn't be so hard to know
(repeat chorus)

I wish I could tell you (I wish I could tell you)
That everything was gonna be alright
I just want to love you so maybe I can let this go

You can't tell me what you want
After all that you mean to me
We can't make it all undone
But can't you see that

I don't know what to think and
You can't tell if we're dreaming
I wish that I could just let this go
But I'm thinking that I don't know
What I'm feeling we just need space for breathing
I wish that I could just let this go
But I'm thinking that I don't know

Yeah yeah yeah yeah yeah

I don't know

Say woo, woo woo
Say I don't know
